SEMINAR SERIES

Researching state-society relations in Southern Africa

In 2022, The Public Affairs Research Institute is launching a workshop series to offer scholars, researchers, and postgraduate students an opportunity to share their ongoing work, either by discussing work in progress or presenting upcoming and new publications.

Details of each seminar will be published a week prior. **Please let us know** if you would like to be added to our mailing list. The seminars will be in a hybrid format, either join us in person at the PARI offices (2 Sherwood Road, Forest Town, Johannesburg, 2193), or **ask for a link**.
